To whom it may concern

I, the undersigned, parent of _____ in Grade _____ at

Rhodes High School herewith inform the school that I will be keeping the afore mentioned learner home during the Covid-19 outbreak when school reopens on Monday 1 June 2020.

I acknowledge that I am responsible for ensuring that my child receives and completes any and all tasks set, this includes, but is not limited to, the assessment tasks, and includes daily work and exercises as each subject requires. To this end, I will ensure that my child is setup on GoogleClassroom and Whatsapp, as the easiest means of learners receiving work set, and, as far as possible, also on Zoom. Formal assessments, such as examinations, will be completed at school, and I will ensure that my child will be at school for these.

I also acknowledge that by keeping my child home during this period, I am not removing my child from the role of Rhodes High School, I furthermore acknowledge that I am responsible for paying the 2020 school fees in full.
