Unit 4: Process of assessment and annual study plans

Assessment - process of gathering evidence of performance.

Internal assessment - happens inside your school and is set by the teachers. It can be formal or informal.

Informal assessment - not recorded, does not count for marks.

Formal assessment - serious, recorded, counts for marks.

Annual study plan - a plan of what you are doing and need to study for a whole year.

Activity 1:

Organise the following types of assessment into the correct columns.
